

**The Journal “Economic and Social Changes: Facts, Trends, Forecast”
Received a Certificate of Quality That Confirms Its Compliance with International
Standards and Criteria of the Scopus Database**

In the framework of the 5th International Scientific and Practical Conference “World-Class Scientific Publication – 2016: Publishing Ethics, Peer-Review and Content Preparation” (Russian Presidential Academy of National Economy and Public Administration (RANEPA), Moscow, May 17–20), there was an exhibition of the most authoritative journals of the conference participants and the journals of some commercial publishers that publish mainly articles of university authors. Russian SCAB experts evaluated the journals submitted, and selected those ready to apply for inclusion in Scopus. The editions selected received a Certificate of Quality confirming their compliance with international standards and criteria of this information system. This document is a recommendation for filing an application with Scopus. The journal “Economic and Social Changes: Facts, Trends, Forecast” (English version) is among those journals that got this recommendation.
